

Remember how to be safe on the Internet!

S.M.A.R.T.

Be **SAFE**. Don't give out personal information such as name, age, address, school, phone number, passwords or photos. Use a nickname.
Whenever I am online, I do not tell others the things that are mine.

Don't **MEET** up. Do not meet up anyone from the internet. Always ask an adult you trust. **Do not meet people from the Internet!**

Don't **ACCEPT** files, pictures or emails from people you don't know. They could be dangerous or cause problems. Always ask an adult you trust first. **Senders may be pretenders.**

RELIABLE? Check if information is true before you believe it. Ask an adult you trust for help. **When you see something new, ask an adult if it's true.**

TELL an adult you trust if you see anything that makes you feel uncomfortable, scared or worried on the Internet. **If it makes you frown, close it down.**

Be **CARING** to everyone! Never send messages or say things that are uncaring and that you wouldn't say face-to-face. **Don't be an online bully!**

Think **s.m.a.r.t.** and use your **caring heart!**
