

Religious Education (R.E.)

In R.E., we will be learning about Judaism.

Our key question is:

- What and how do Jews celebrate?

How can you help your child at home?

-Discuss with your child what celebrations Jewish people have and how they are different or similar to celebrations your family has.

Computing

- In Computing, we will be developing our knowledge of online safety.
- We shall explore how we can stay safe online and why it is vital to stay safe online.

How can you help your child at home?

-Talk to your child about online safety. Use our 'Think S.M.A.R.T., use your heart' poster to help them remember the safety rules. You can find this poster on our school website.

Art and Design and Technology (D.T)

- In Art, we will be learning about different printmaking techniques, such as relief and mono-printing.
- We will look closely at fossils created from fish like creatures.
- We will draw ammonites in our sketch books and create a printing block using polystyrene.
- We shall also be making clay pots and dissecting Stone Age poo!
- For D.T. day, we will be making our own woolly mammoths out of milk bottles.

How can you help your child at home?

-Research mono printing about how they might have created these images.

-Research famous caves around the world that have cave paintings inside for people to visit.

Physical Education (P.E.)

Our focus this half term in P.E will be hockey,

We will:

- Learn how to pass, catch and throw.
- Develop running skills.

How can you help your child at home?

-Practise passing and throwing a ball.

-Watch some clips of hockey on line.

Science

- We will be learning about forces and magnets.
- We shall compare how different things move on different surfaces.
- We will be learning about the different poles and how magnets attract certain materials.

How can you help your child at home?

-Look at the different types of materials around your home . Consider whether or not you think that these materials are magnetic and why.

Spanish

- Review numbers 1-30 and the days of the week.
- Repeat and recognise the months of the year in Spanish.
- Ask when somebody has a birthday and say when they have their birthday and say the date in Spanish.

How can you help your child at home?

-Encourage your child to practise their Spanish at home.

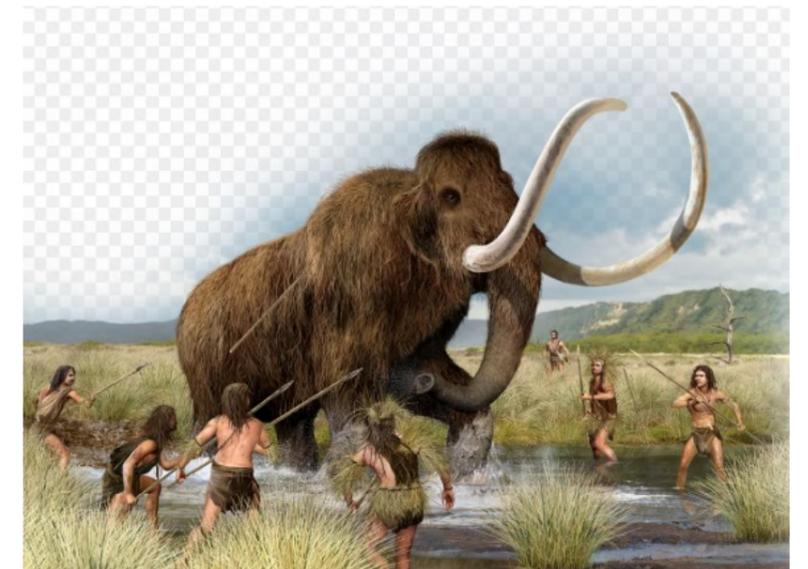

Please remember...

- Your child should wear their P.E. kit to school every Tuesday and Friday (both classes).
- Check your child's Class Dojo learning profile on the Class Dojo website or Class Dojo app daily.
- Home learning records will be collected every Wednesday. Check your child's home learning record book to see when their reading books will be changed.

Stone Age to Iron Age**

Spring (second-half 2020)

Music

This half term we will be continuing to learn the recorder, as well as developing our singing and body percussion skills. We will:

- Practise singing rounds and play singing games.
- Develop our body co-ordination skills through learning different types of body percussion.
- Continue to learn different notes on the recorder.

How can you help your child at home?

-Expose them to a wide variety of different songs and musical genres.

History

- In History, we will be learning all about the Stone Age.
- We will be learning how they built their houses and hunted and gathered food.
- We will also discover how they made their clothes and investigate the Skara Brae settlement.

How can you help your child at home?

-Research the Stone Age with your child and discuss how their lives are different to ours.

-Discuss with your child whether they would like to live in the Stone Age and explain why.

English

- We will continue to develop fluency and expression in reading, focussing on comprehension.
- We will be learning to write instructions, using bossy verbs and bullet points.
- In Grammar we will be looking at how to use speech marks correctly and fronted adverbials.
- We will learning to identify homophones and to correctly use there, their and they're.
- We will be developing our proof-reading and polishing skills as a way of up-levelling and improving our written work.
- We will read, discuss and create our own play scripts based on Stone Age boy.
- We will listen to and discuss a wide range of fiction, non-fiction books and poems. We will retell familiar stories and use the characteristics of each story to create our own version.

How can you help your child at home?

-Read to and listen to your child read everyday. Model reading with expression and encourage them to read for pleasure. Talk to your child about what they have read.

Mathematics

- We will be learning about money, how to add and subtract money and find the correct change.
- We shall be looking at statistics, exploring pictograms and bar charts and collecting data.
- We will learn about fractions and how to compare fractions and add and subtract fractions.
- We shall also look at equivalent fractions.

How can you help your child at home?

-Compare fractions using the fraction wall.

-Practise addition and subtraction of fractions with the same denominator.

-Continue to practise learning the 3, 4 and 8 times tables.

-Continue to practise learning the division facts for the 3, 4 and 8 times table.

Our Topic Learning

Our topic this term is 'We will rock you.' Here are some of the experiences we will enjoy:

- We will learn about the Stone Age and how they lived.
- We will explore the different foods they ate in the Stone Age and how they created weapons to hunt.
- We learn about the Skara Brae Settlement.
- We will write and perform our own play scripts based on the story of Stone Age Boy.

How can you help your child at home?

-Research information about the Stone Age, how they lived, the food they ate and what they wore.

-Look into the Skara Brae settlement and discuss with your child.

Personal, Social, Health and Economic (PSHE) Spiritual, Moral, Social and Cultural (SMSC)

- We will learn about other religious festivals and traditions such as Mothering Sunday, St David's Day, St Patrick's Day, Easter, Passover and Holi Festival.
- Our SMSC topic is 'Healthy Me'. We will be learning about healthy habits such as healthy eating, drinking lots of water, exercise, sleep and rest, good hygiene and a happy attitude. We will learn about how complex our body is and how to take care of it. We will be discussing how exercise affects the body, heart and lungs.
- We will be learning about safety and how we stay safe in the world around us including road, fire and medicine safety. We will also be learning about people who help us be healthy and stay safe.
- We will also learn about World Book Day, International Women's Day, International Day of Happiness and Red Nose Day.

How can you help your child at home?

-Discuss and encourage healthy and encourage healthy habits such as healthy eating, hygiene and exercise at home. Cook healthy meals together.

-Discuss the religious festivals and special days we are celebrating and why they are important. Join in with some of the festivities such as celebrate Mothering Sunday together or read a fun book on World Book Day.
